PRESS RELEASE

Diversity and Inclusion Practitioner Jamie Dapaah Appointed to Cybersmile Advisory Panel

LONDON, UK, June 16, 2023 - Cybersmile have announced prominent diversity and inclusion specialist Jamie Dapaah as a newly appointed member of the charity's international advisory panel. Jamie develops strategies and policies that promote equal opportunities - fostering welcoming and inclusive environments.

As an Equality, Diversity and Inclusion Lead at Premiership football club Fulham FC as well as being a coordinator for events with Adidas, Jamie has played a major role in addressing some of the biggest social issues affecting the sporting community today.

Dan Raisbeck, Co-founder of The Cybersmile Foundation, said: "We are excited to welcome Jamie onto our advisory panel. His expertise around the topics of diversity and inclusion will be crucial as we continue to develop education and support programs that are truly inclusive and accessible to all."

A British born Ghanaian, Jamie was recently included in the prestigious 'Ones to Watch' selection of the Football Black List which highlights talented young people under the age of 30 from an African or Caribbean background who are making an impact within the football industry in the UK.

The Football Black List has become the most respected celebration of African and Caribbean achievement in British football - shining a light on those inspiring the next generation. Previous names on the Football Black List include the likes of Marcus Rashford MBE, Yaya Touré, Raheem Sterling MBE, Rio Ferdinand MBE, Dame Heather Rabbatts CBE, Patrick Vieira and Rachel Yankey OBE all highlighted for their efforts off the pitch.

Jamie Dapaah, Cybersmile Diversity & Inclusion Advisor, said: “I am excited to support the great work already being done by Cybersmile to make the internet a more inclusive place. I’m confident that together, we will have a meaningful impact felt across the world on and offline.”

Through the years, Jamie has worked with a number of leading brands and organizations such as Adidas, EA Sports, FIFA, The Best FIFA Football Awards, International Sports Convention and the BET Awards America to name a few.

Launched in 2017, the charity’s advisory panel includes a number of world-renowned thought leaders in areas such as research, diversity & inclusion, internet safety, mental health, parenting, gaming, sports and personal wellbeing. The international panel members play a key role in the development and facilitation of the organization’s education programs, support services, research projects and awareness campaigns.

ABOUT THE CYBERSMILE FOUNDATION

The Cybersmile Foundation is a multi-award-winning nonprofit organization committed to digital wellbeing and tackling all forms of bullying and abuse online. We work to promote kindness, diversity and inclusion by building a safer, more positive digital community. Through education, research, awareness campaigns and the promotion of positive digital citizenship we reduce incidents of cyberbullying and through our professional help and support services we empower those affected and their families to regain control of their lives.
