Characteristics of a cyberbully

OBJECTIVE

To be able to understand specific characteristics of a cyberbully.

OUTCOME

To realize that the characteristics associated with a cyberbully are all negative.

MATERIALS

Paper, coloring materials, pencils, erasers, pens.

INSTRUCTIONS

1. Introduce the exercise to the class, and present the objective and outcome.

2. Ask the students to draw a picture of what they think a cyberbully looks like.

3. Then ask them to write words around the picture that could describe what characteristics the cyberbully has. Here are some examples -

   Aggressive, uncaring, ungrateful, rude.

4. End the exercise by asking some of the students to read out their characteristics and ensure that they realize everyone will always see a cyberbully negatively.

EVALUATION

• Make sure you collect all the sheets of paper and throw them away carefully so no one can read them.
